

Skin Cancer Specialists, P.C. was founded by Dr. Mark Chastain and Dr. Jennifer Buckley in Marietta, GA in 2003. We have expanded to a total of 6 offices, including locations in Cartersville, Austell, Athens, Newnan, and Columbus. We are a full-service practice including general dermatology, cosmetic dermatology, Mohs surgery, and dermatopathology.

Our focus is to provide thorough, compassionate care in top-notch facilities in order to optimize patient outcomes and patient satisfaction. We are looking for a BC/BE dermatologist, either full or part-time, to work 2-5 days a week in a team-oriented environment at any one or more of our offices. The position can be largely general dermatology, or if preferred, a mix of general and cosmetic dermatology as well as surgery. Competitive salary and benefits. Partnership options available.
